

Dr. HARPAL SINGH

Principal, Swamy Sarvanand Institute of Engineering and Technology (SSIET), Gurdaspur

Phone: +91-98884-68687 | Email: hps_bhoday@yahoo.com | Web: <https://harpalsingh62.github.io/Profile/>

ORCID: 0000-0002-1311-5574 | Scopus Author IDs: 57218964847, 57218797851

37 Years

Total Experience
(25 Yrs as Professor)

84 Papers

Scholarly Publications
(44 Journals, 40 Conf.)

76 Scholars

Research Mentorship
(72 M.Tech, 4 Ph.D.)

74 Honors

Awards & Medals
(62 National, 12 Int.)

EXECUTIVE PROFILE & CORE SKILLS

Distinguished academic administrator, structural engineer, and educator with 37 years of comprehensive experience in higher education, institutional leadership, advanced civil engineering research, and high-impact structural consultancy. Proven track record of guiding institution building, academic governance, research programs, and industry-sponsored structural design projects.

- Key Core Competencies:** Academic Administration & Leadership, Teaching & Pedagogy, Structural Engineering Research, Industrial Structural Consultancy & Testing.

EDUCATIONAL QUALIFICATIONS

Degree / Qualification	Year	Specialization / Thesis Title	Institution / University
Ph.D.	1996	Response of Reinforced Concrete Frames with Infilled Panels under Earthquake Excitation	Structural Engineering
M.E.	1986	Behavior of Skew Box Girder Bridge	Structures
B.E.	1984	Civil Engineering	Engineering Graduate

EXPERIENCE & ADMINISTRATIVE LEADERSHIP

Over 37 years of total experience across top-tier academic administration, professorial roles, and department management:

Position / Designation	Institution / Department	Duration / Tenure
Principal	Swamy Sarvanand Institute of Engineering & Technology (SSIET), Gurdaspur	22.05.2024 – Present (2 yrs)
Principal	GZSCET Bathinda	5 Years
Principal	GNDEC, Ludhiana	1.5 Months

Dean Academic Affairs	GZSCET Bathinda / GNDEC	2 Years 2 Months
Head, Civil Engineering Dept.	GZSCET Bathinda / GNDEC	1 Year 10 Months
Professor	Civil Engineering Department	25 Years
Assistant Professor	Civil Engineering Department	6 Years
Lecturer	Civil Engineering Department	7 Years

RESEARCH GUIDANCE & MENTORSHIP

- **Ph.D. Doctoral Supervision (04 Total):** 1 Completed, 1 Submitted, 2 Ongoing research scholars in Structural Engineering.
- **M.Tech Master's Dissertations (72 Completed):** Guided 72 M.Tech students in structural analysis, earthquake-resistant design, finite element modeling, and advanced concrete technology.

SCHOLARLY PUBLICATIONS & PEER REVIEW

- **International Journals (29 Papers):** Published in reputed indexed journals covering RC frames, earthquake engineering, geopolymers concrete, and bridge modeling.
- **International Conferences (20 Papers):** Presented research at major international symposia and proceedings.
- **National Journals (15 Papers):** Published across premier Indian civil engineering and structural journals.
- **National Conferences (20 Papers):** Presented at national conventions and technical seminars.
- **Editorial & Peer Reviewer Role:** Reviewed 7 International Journal papers and 7 National Journal papers.

SPONSORED R&D PROJECTS & STRUCTURAL CONSULTANCY

- **AICTE R&D Project:** Principal Investigator for 'Tackling Vulnerability in Bridges' (2000–2003).
- **Thapar Group (TCRDC) Sponsored Project:** Developed 'PCFEAST' — PC-Based Finite Element Analysis of Structures (1992).
- **Industrial Structural Consultancy:** Extensive experience in structural design and proof consultancy for Multistoried Buildings, Highway Bridges, Overhead Service Reservoirs (OHSRs), Industrial Structures, Concrete Mix Designs, and Material/Structural Testing.

AWARDS, HONORS & PROFESSIONAL ENGAGEMENT

- **Accolades & Recognition (74 Total):** Recipient of 10 International Awards & 2 International Medals, alongside 49 National Awards & 13 National Medals for excellence in engineering and administration.
- **Professional Memberships:** Life Member / Member of 11 Professional Engineering Bodies & Technical Societies.
- **Conferences & Short-Term Courses:** Organized 3 Conferences & 2 Short-Term Courses; Attended 34 Conferences & 50 Short-Term Courses.
- **Expert Keynote Lectures:** Delivered 18 Expert Lectures at academic institutions and industry forums.
